Daycare - If my child comes 3 days a week and those days change on a weekly basis, I will let a2z Preschool & Daycare, Inc. know my schedule by Thursday at noon of the prior week. If I have not provided my schedule by Thursday at noon, I understand that the days I need for the following week may not be available to me.

If any changes need to be made during my child's current week (examples - switching days or changing pick up times), I agree to let a2z Preschool & Daycare, Inc. know immediately. I understand that every effort will be made to accommodate those changes, but due to scheduling of the staff I may not be able to make those changes.

Tuition is the same regardless of days missed or holidays. Think of this as a weekly commitment for your child, not in terms of days of attendance. This is because our staffing and other operational expenses are based on fixed enrollment levels and must be met on a continuing basis. No refunds or credits will be granted for days missed.
